PORTRUSH Ballgownian Drama Group held their end of season party in here each year which was thoroughly enjoyed by all. Everyone had a really good time + enjoyed the good craic each year here - too!

3-2016	Mane C Wilson	Wonderful memories of the Northern Counties - coming from Liverpool on Sunday afternoons to swim in the pool was a great treat in the early 1950's.
		In 1956 I had lunch there with wealthy U.S. relatives who were staying in the hotel. That was the first time I ever saw lobster thermidor. Later
		I also went to formal dances there in the beautiful ballroom.
