3-2016	Mane C Wilson	Wonderful memories of the Northern Counties - coming from him weekly on Sunday afternoons to swim in the pool was a great treat in the early 1950's.
		In 1956 I had lunch there with wealthy U.S. relatives who were staying in the hotel. That was the first time I ever saw lobster thermidor. Later
		I also went to formal dances there in the beautiful ballroom.

This Hotel known previously as the Northern Counties, was taken over during the war (1939/46) for the pupils of Campbell College Belfast. There was a swimming pool at the rear which we all enjoyed. The school band paraded through Portrush on many occasions. The senior pupils assisted the Army in patrolling the beach area in case of German submarines off shore.

17 Feb 16	Heather Moore nee Dickson Bray Co. Wicklow	Alan and I were married in Ballymorney on 2 Aug 1971 and had our wedding reception in the old Northern Canter Hotel. This year we are planning to celebrate our 45 th wedding anniversary in the same buildings. I lived in Portrush, in Hopefield Avenue, from the age of 0-5 and attended Mrs Trimble's Montessori school. After moving to Ballymorney I spent all the school holidays caravanning in Portrush with my family. My mother was Janet Burns and she grew up in Dhu Varen. In my teenage years I danced at the Arcadia and loved swimming on the West Strand. Many many happy memories.
20 Feb 2016	Kent Zena Ben Bangor Co Down	Used to run Management Training Courses in the N.C. Remember the stepping over the Great Dane in the hallway and swimming in the pool one night at 3.00am the Operative Society arrived and we had the M. Beards performer in the lounge. Loved every visit and the Facets here great.

7/20/16	BARBARA DEANE (nee BURGESS)	Our family used to stay at the WINDSOR HOTEL. Remember my sister's birthday when they produced a proper home made cake!
7/16	Ruth Carruthers	I swam in the hot salty water of the Northern Counties pool in the 70s - remember the tiles, the sense of faded splendour, almost like trespassing on some time & place before my days.
