

# THE UNCHARTED HISTORIES OF THE CAUSEWAY COAST

**UNCOVER THE RARELY TOLD STORIES AND HISTORIES OF THIS AREA OF OUTSTANDING NATURAL BEAUTY**

The Uncharted Histories of the Causeway Coast project (delivered by Causeway Coast and Glens Heritage Trust in partnership with Council's Museum Services) worked with local communities and heritage groups to map and record the lesser known histories of the Causeway Coast area.

Members of the community kindly put forward the majority of the objects, photographs, memories and stories you see here, illustrating the truly rich heritage that overlays this special landscape.

This exhibition showcases these Uncharted Histories and explores key themes that have played a role in the heritage and culture of the Causeway Coast over the centuries.

We extend a sincere thanks to all of the groups, individuals and organisations who have contributed to Uncharted Histories, without you this exhibition and wider project would not have been possible.
